We will provide you with a full support and dedication, along with custom proposals, tailored on your specific needs.

*Now we proceed*

**STEP 1**

Our approach starts with an initial meeting/phone call where we will discuss your requirements in terms of timing, budget and style.

We will proceed with the realization of a tailor made proposal that consists in a selection of items from our best suppliers, respecting your wishes.

**STEP 3**

After the moodboard, we will proceed with a coordination between chosen items and all additional accessories.

If requested, we will be happy to organize for you a sample display, in order for you to review your selection before placing the order.
